Dear Ms. Adams:

On September 17, 1993 Chevron U.S.A. Inc. (Chevron) submitted its response to the Information Requests dated August 12, 1993 for the Stickney Avenue Landfill and Tyler Street Dump sites. Chevron recently located additional information which is responsive to these Information Requests. Specifically, Chevron has located the EPA Generator Identification Number for the former "Gulf Toledo Terminal."

Chevron therefore provides the following supplemental response to Information Request Number 4: the EPA Generator Identification Number for the former Gulf Toledo Terminal is OHD000608695.

Should you have any questions or wish to discuss this matter further, please contact me at (510) 242-4238.

Very truly yours,

Cathy S. Robie
